

**F. No.** NESTS/Academic/CBSE/82/20-21/1673 **Dated:** 05<sup>th</sup> June, 2025

**The Nodal Officer,**  
State/UTs EMRS Society,  
(As per list).

**Subject:** - Uniform Entry of School and society/trust/managing committee names in CBSE Affiliation Applications – reg.

With reference to the above subject, it was brought to the notice of this office through CBSE that there exists wide variation in the naming convention of Eklavya Model Residential Schools (EMRSs) and the associated society/trust/Managing Committee during affiliation, upgradation, and extension applications.

In order to maintain uniformity and ensure consistency in the national database, it is requested to instruct the concerned Principals of EMRSs under your jurisdiction to enter the school's name strictly in the format "Eklavya Model Residential School (EMRS) [School Name]" and the society/trust/Managing Committee name as "National Education Society for Tribal Students (NESTS)" while applying for CBSE affiliation, upgradation, or extension.

This issues with the approval of the Competent Authority.
